

DCTA
DEFENCE CLAY TARGET ASSOCIATION

LETTER

Phillip Road, HMAS Cerberus, VIC 3920

ADCTA/OUT/2010/020

Joni Edson
Marketing & Operations Coordinator
Frontline Defence Services
L6 303 Coronation Dr, Milton, QLD 4064

Dear Joni,

On behalf of the Defence Clay Target Association please accept our heartfelt thanks for your support. The Association conducted its Annual Down The Line (DTL) Championships at the Mornington Clay Target Club, Victoria, between 14 and 16 September 2010. The overwhelming success of the event was predominantly due your generous sponsorship.

Your support enabled our young association to finance both the facilities and the targets required for the event. Frontline Defence Services' support was crucial to ensure that the costs associated with conducting such a high profile event were subsidised such that competitors were able to compete at reasonable prices. It is hoped that the successful partnership between the Defence Clay Target Association and Frontline Defence Services Australia will continue to develop and remain mutually beneficial to both our organisations.

Please accept the sincere thanks of the Organising Committee and members of the ADF Clay Target Association for all your efforts and support which have assisted to make this event such a success. We look forward to continuing this partnership for many years into the future

C. Carrol
Defence Clay Target Association
